

The Beneficial Role of Jews in Vladimir Nabokov's Life and Career

Gavriel Shapiro
Cornell University

The lecture will discuss the many individuals of Jewish origin and their role in assisting Vladimir Nabokov at crucial moments of his life and in promoting his literary career. Among those, there were Jews from Russia, whom Nabokov encountered in London, Berlin and Paris, as well as West European and American Jews, university colleagues, editors and publishers, who contributed a great deal to his success as a writer.
